**ADDRESS V125/-G
REAR INNER FENDER (FRP/CARBON)**

REMARKS ● Cool looking rear inner fender!
 ○ FRP FENDER
 • Made from FRP / GEL-COATED BLACK
 ○ CARBON FENDER
 • Made from twilled CARBON
 ※ Cutting / drilling work on stock rear fender is required.
 Installing KITACO FENDER LESS KIT 691-2407000 at the same time is recommended.
 ※ Required length of muffler installing bolts is different, depending on aftermarket mufflers.
 (Installing bolts that come with the REAR INNER FENDER can be used with STOCK / KITACO EXEX MUFFLER)
